Thank you for sending this Ginny. I plan to talk to Angela this morning with Kim at 10:15 as I have proposed but haven't heard back yet from her. We tried to talk yesterday but our schedules didn't jive. Did you want to be on the call if it occurs?

The reason for the call was that Angela finally got back to me on the information I forwarded to her (Josh reporting, photos, etc.) a couple of weeks ago.

Angela-

Can you clarify when MassDEP will be issuing comments on the Phase III in preparation for the meetings on December 1<sup>st</sup> and December 8<sup>th</sup>? I am assuming that EPA would get an opportunity to review and discuss MassDEP's draft comments at our December 1<sup>st</sup> meeting and work through concerns at that meeting and then MassDEP would issue comments to AVX following that meeting as the basis for discussion at the meeting with AVX and City of NB at the December 8<sup>th</sup> meeting. It would be helpful to have MassDEP's draft Phase III comments by no later than COB Monday November 28<sup>th</sup> so we have a couple of days to review and consider the comments before we meet with you on the 1<sup>st</sup>. Thanks.
